PUBLISHED EVERY TUESDAY AND FRIDAY.

SWIFT CHAMP, EDITOR AND OWNER.

If money talks it talks cents.

In the human race the butcher holds the steaks.

The only thing that can be done with-out money is to get into debt.

JOHN URI LLOYD was in Lexington last week, collecting material for a new novel to be called "Warwick of the Knobs."

NOTHING was too good and expensive for Louisville to serve to her Knight Templar guest this week, and it is said they even gave them Irish potatoes to eat.

O. N. VAVPIL, of the Herald, will keep on getting off jokes like the following until he gets into trouble:

"The discovery has again been made that 'Red Rum' when spelt backward is 'Murder.' Some one catches on to this every once in awhile."

Every good citizen of the Commonwealth will be gratified to know that the young wife of the young Governor of Kentucky, who has been near death's door since the birth of her babe, is on the road to recovery.

REV. GEORGE VARDEN, who is a steady contributor to the columns of the Lexington Leader, in his letter in the Sunday issue had the following:

"To a business advertisement in one of our town papers, the relation and duties of the respective members of the company are subscribed thusly:

JOHN DOE, Caput.

JAMES ROE, Manager.

ROBT. POE, Treasurer.

"Now, who after this will be so rash as to deny the inestimable advantage of studying Latin, even for a business education! For one, we've always said so, and argued the point."

We are still making high grade photos. Call and see the latest. Everything strictly up-to-date.

A GREENCASTLE, IND., man owns a walnut log for which he refused an offer of \$1,500. He found it while making an excavation in the bank of a creek, and dug it out of the clay and sand, and a lumberman who examined it offered the price first mentioned. The owner asks \$1,800. The timber appears to have been covered for centuries, and is as black and hard as mahogany.

SINCE the young son of Mr. Robert Gorey, of this city, found a valuable pearl in Stoner sometime since, the pearl fishing industry in Paris has been on a boom. Crowds of youngsters may be seen daily on the banks of the creek looking for mussels, and several very pretty pearls have been found by them, but none of any particular value.

## You Do, or You Don't Need Glasses

The eye being a rather delicate organ, great care should be exercised in the selection of proper glasses. Many believe that glasses should be restored to only when the sight becomes so defective as not to be able to do without. This is a great mistake which must be combated. Whenever there is unmistakable evidence of the need of their aid, they should be used. A neglect of this rule sometimes produces mischief which results in serious trouble if the course be persisted in.

A cheap remedy for coughs and colds is all right, but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes, if possible; if not possible for you, then in either case take the ONLY remedy that has been introduced in all civilized countries with severe throat and lung troubles, "Bosche's German Syrup." It not only heals and stimulates the tissues to destroy the germ disease, but allays inflammation, causes easy expectoration, gives a good night's rest, and cures the patient. Try ONE bottle. Recommended many years by all druggists in the world. Get Green's Prize Almanac.—W. T. Brooks.

## Question Answered.

Yes August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for indigestion or Bilelessness. Doctors were scarce, and they seldom heard of Appendicitis, Nervous Prostration or Heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied that there is nothing serious the matter with you. Get Green's Prize Almanac.—W. T. Brooks.

Thos. W. Carter of Ashboro, N. C., had kidney trouble and Foley Kidney Cure effected a perfect cure, and he says there is no remedy that will compare with it.—Clarke & Kenney.
